

# Celebrating

MARTIN  
LUTHER  
KING JR.  
*Day*

Middle School students celebrated Dr. Martin Luther King Day by watching a portion of Dr King's "I have a Dream" speech. Following that, the students worked in groups to design posters which demonstrated some of the dreams our students have for our school, our community and our world.

The third graders worked on several projects which reflected the values

Celebrating Martin Luther King Day at Saint Jude School gave students the opportunity to reflect on some very important life lessons. The kindergarten students used brown eggs and white eggs to demonstrate that even though something (someone) might look different on the outside, on the inside we are all the same.
