Parents have shared several factors influencing their decision to have their children attend Saint Jude School.

- Saint Jude School has a reputation for offering a relevant and rigorous curriculum in a Catholic/Christian faith-based environment for the students. Our goal is to provide our students with an excellent preparation for the high school of their choice. Saint Jude prides itself on being the feeder school to area Catholic High Schools and is frequently the #1 feeder to Marquette University High School. Other factors which impact parents' decisions to send their children to Saint Jude include:
- Desire for children to attend a neighborhood school.
- Proximity to parent's place of work. Many of our parents work at the Medical Complex and they want a school which is close to their place of work.
- A number of our alumni who do not live in the immediate area, choose to send their children to Saint Jude. Legacy is an important and appreciated factor when it comes to a Saint Jude education. We are proud to say that we have not only two-generation families, but three-generation families attending Saint Jude.

Saint June School has a mission statement that includes cultural diversity regarding people of color and ethnicity. For the 2018 - 2019 school year, 4K - 8th grade students have been identified as follows:

Asian	8	Black	2	Hispanic	21
White	364	Multi-racial	3		

As found at <http://www.city-data.com/city/Wauwatosa-Wisconsin.html#ixzz51AB63is7>, it should be noted that Saint Jude School reflects the same diversity ratio as the Wauwatosa community at 14 - 15%.

Another statistic regarding Saint Jude enrollment is that 13 of our students are not Catholic.
